

FALLING

Show me what you see
Make a movie
Talía

Sit me in the dark
Make me laugh
Cause I'm about to cry

Hold my hand
And let me see the things
I fear

I can't look away
Once our eyes meet

Time is short
It's over in a
Wicked blink

Then there is silence
All that's left is your breath
Awaken to dreams
God I'm falling...

(Repeat all)

Show me what you see
Make a movie
